

Sherwood Area Disaster Relief Fund

Thank you all for the outpouring of assistance to individuals and families who were devastated by the tornado that ripped through our area last Tuesday. Your kind words and actions have been greatly appreciated!

Recent assistance efforts through Emmanuel GMC have included...

... Collection of funds from concerned workers and customers and donations of clothing and household goods by the Thrift Shop

... Financial donation from the United Women in Faith

... Offering collected by our Thursday Night Bible Study group.

These efforts have provided area families immediate and much needed assistance. Thank you!
